THE BARLOW-SEBASTOPO

Thank you for considering The Barlow for your special day.

The Barlow is a 12-acre open-air market district featuring a community of 30+ makers including vintners, brewers, distillers, artisans, award-winning restaurants, eateries and boutique shops. The urban industrial architecture paired with the rustic edible landscape makes The Barlow a unique backdrop to celebrate memorable occasions with family and friends.

The Barlow Event Venue offers a fun twist on tradition with two renovated warehouses in the heart of the historic apple cannery. Perfect for a sunny outdoor ceremony beneath the 100-year old oak tree, an intimate twilight reception, or a unique rehearsal dinner paired with a visit to the many wineries and breweries right next door - the possibilities are endless! Your guests will love beautiful Sonoma wine country, just a short drive from the Golden Gate Bridge.
